

BALPEX 2026 Bourse Booth Price List (as of 11/11/25):

Due to the BOSTON International Show and date changes, we have adjusted booth pricing for this year, i.e., pricing DOES NOT include your hotel stay. Reservations for rooms are to be made through the BALPEX Website hotel link or through the BALPEX COMMITTEE, your option. Insure you ask for the special BALPEX price. Bookings made through the BALPEX BOURSE Committee will be billed separately. We are maintaining free admission and parking for your clients and endeavor to make BALPEX equal to the best *WPS* National shows. **Note, payment deadlines!**

Note also that a larger space has been designated for exhibits at the request of convening societies and especially to accommodate the Joint AMERICOVER EXPO. This will limit dealer spaces so get your deposit in early for the best choice. Prior attendee Dealers have first choice.

Table size & configuration can be requested to suit, subject to Committee approval and appropriate price adjustment. Call the Bourse Chairman to discuss your needs and for quotes. A **\$100 cash refund** will be paid to each dealer at the 3 p.m. Sunday show closing.
